FROM: npic/tesg/ded/radbi Contract Administrator, Contract No. 25X1A 25**X**1A OL/PD/CA&SB/CAE ATTN: SUBJECT: Unaccepteble Invoice 25**X**1A 1. The referenced voucher was submitted by for the period February -May 1968. At that time contract funds were already expended. [authority to perform any tasks for the Government which were not approved and funded. 25**X**1A 2. In October of 1967, it became obvious to and the Government that there were insufficient funds in the contract to perform all the work desired. At 25**X**1A was instructed to submit a raport on the work accomplished at 25X1A that point while there were funds remaining. was also requested to submit a proposal for the completion of the tasks which had been started and for some new tasks. The proposal was submitted but was not acted upon by the Government until June 1968 when it was decided that only certain tasks should be performed and money 25**K**1A for those tasks were added into the contract. 3. After receiving the additional funds, prepared the referenced 25**X**1A voucher in an attempt to get recompense for unauthorized work performed during the period when no funds existed in the subject contract. I do not believe that this voucher should be honored. Technical Hondtor SIGNATURE DATE 41.03.03 REPLY **Declass Review by NGA/DOD** SIGNATURE ORIGINATOR'S SUSPENSE FORM 1831 SECRET
